# COSTA DEL SOL

Located in the South of Spain, bathed by the warm waters of the Mediterranean Sea and surrounded by the mountainous landscape of the Sierra de las Nieves, the Costa del Sol extends over 150 km along the province of Málaga.

It is blessed with more than 320 days of sun a year, an average temperature of 19°, plenty hours of daylight and little rain, which makes it the best place to establish your new home.

The Costa del Sol is extremely well connected by sea, land and air. Every day thousands of cruise passengers arrive at Málaga's port, the AVE will take you to Madrid in just 2.30h and to Cordoba in just 1h; Pablo Picasso International Malaga Airport is used by over a million passengers each month.

The Costa del Sol offers its inhabitants and visitors a wide range of leisure and entertainment options that make each day different. Enjoy its fine sandy beaches and deep blue sea, 17 of which have been awarded Blue Flag status for its quality and safety. Visit one of its more than 50 museums and cultural centres like the Picasso Museum in Malaga.

Food enthusiasts are in luck, the Costa del Sol is a paradise for the senses. From typical tapas bars to luxurious Michelin star restaurants, tradition meets modernity.

Visit the famous Marbella, stroll through its charming old town and typical of Andalusia narrow streets and do not miss the Castle Walls, declared of Asset Cultural Interest.

And do not forget the world-famous Puerto Banús, a unique port in Spain where you find yachts, high-end cars and luxury stores open until midnight.

THE LUXURY  
EXPERIENCE...

Jade Tower is an extraordinary residential complex, of contemporary architecture and sustainable construction. It comprises a total of 116 splendid luxury apartments and penthouses, with garage and storage room, only 100m from the sea.

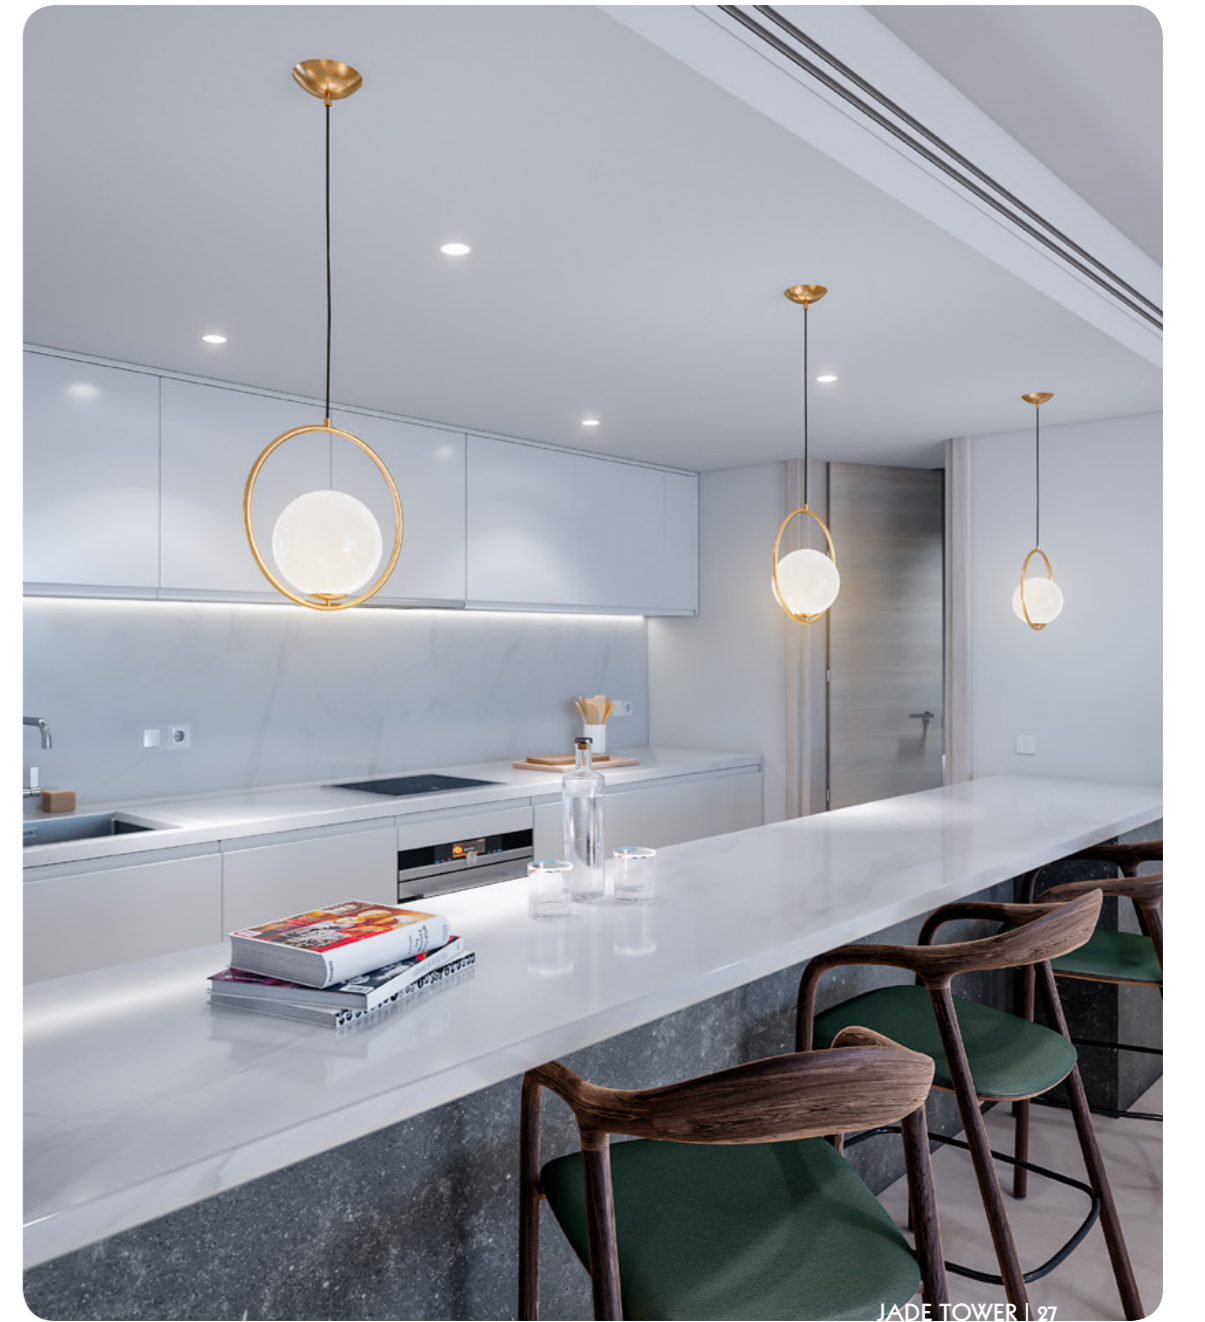

Their modern architecture breaks with the past and bets on innovation and progress.

Architecture and construction are works of art, and they both should act as powerful sources of inspiration for today's society. Jade Tower is set to change the city skyline of Fuengirola and become part of its great community.

It features 1, 2 or 3 bedroom apartments and their modern and smart design blends in harmoniously with its beautiful surroundings and large terraces. The apartments stand out not only for its large rooms and open spaces, but also for making light its main character.

Clean lines, kitchens fully fitted with Neff appliances and Silestone worktops, built-in cabinets, full bathrooms with Gunni & Trentino flooring and tiling. And last but not least, large terraces and unique spaces for relaxing, which truly define the authentic Mediterranean lifestyle.

# EXCLUSIVE COMMUNITY

Jade Tower provides a unique luxury experience that doesn't stop at your doorstep, discover the many services it offers exclusively to its residents. Enjoy the luxury of resort-style living in your common areas every day.

Take a dip in the swimming pool, rid yourself from stress and toxins at the spa, tone your body at the gym, manage your business from the comfort of the co-working space, have your friends over at the gastro bar or find your inner peace at the fitness studio.

Sounds tempting, doesn't it?

## SPA

Take your body, mind and spirit on a journey at your very own Spa. Eliminate toxins.

Sauna, Turkish bath, Jacuzzi, whirlpool bath, relaxation zone and heated pool.

Jade Tower wants to bring back the original concept of thermal springs and the restful feeling that water provides through treatments such as: contrast showers (a Roman style hot-cold water therapy), water bubbling, jacuzzi colour therapy and steam baths.

As part of the Jade Tower community, using these services on a daily basis is a luxury you can now afford.

## GASTRO BAR

Jade Tower has designed the perfect space to get together with friends and family, a place to indulge and feed your senses.

Share recipes with your loved ones, show off your cooking skills or simply sit back and let a private chef do all the work booking through your Jade Tower App!

## CO-WORKING SPACE

Jade Tower offers a unique space ideal for you to work in a relaxed atmosphere and at your own pace.

Internet connection, work desks, meeting rooms. Here you will find everything you need to make your work more convenient. The large windows truly bring the outdoors indoors, as they fill the space with natural daylight and offer views of a cosy garden; there is no better place to turn your ideas into reality.

Share moments and experiences with other professionals and jump-start your project.

## GYM

What better way to keep fit and active than in your own home gym?

Reaching your goals has never been easier thanks to the best and latest equipment and technology. Treadmills, elliptical and static bikes, weights, and touch screen machines with internet access and television so that you can stay connected even when working out.

Unwind with a cardio routine and toning exercises. Sweat your stress away and feel good about yourself.

## CINEMA ROOM

3, 2, 1.... Let the movie begin!

What better plan than staying in on a Sunday afternoon enjoying your favourite film?

Recreate the cinema experience in the comfort of your own home with wide screen TV, surround sound and incredibly comfy chairs. All you need to do is grab some popcorn!

The ultimate movie experience without having to leave the house.

## FITNESS STUDIO

Mens sana in corpore sano is a motto worth living for, that is why Jade Tower offers a fully equipped Fitness Studio so that you can practise yoga, pilates, meditation and many more activities whenever you like.

Sleep better, stress less and live longer in your very own fitness studio.

# OUR COMMITMENT

Our recycling-orientated efforts to minimise the company's ecological footprint are key in this global struggle for sustainability. We want to be the change that makes a difference.

To do so, our developments include an innovative micro-filtration system which removes unpleasant odours and flavours from water while preserving its natural minerals. This Proximity Water helps reduce transport pollution, thus reducing CO<sub>2</sub> emissions and bringing us one step closer to our goal towards better connected and more sustainable communities.
