

A GREAT LIFE STARTS WITH A GREAT PLACE

WE BELIEVE IN PERFECTION

Perfection exists.
It is something you can feel.
It is something we can build.

Over the past 25 years, this belief has driven our work. To this day, we are proud to say that we specialize in making our client's dreams come true.

As developers and builders, we have our own team of designers and technicians who combine their experience to obtain an optimal result in each architectural project.

Our impressive villas summarize the tastes and needs of our clients. In harmony with avant-garde design elements, all backed by the latest technologies and the highest energy efficiency with sustainability in mind.

YOUR PLACE IN THE WORLD

Imagine your dream world.
A world full of sun.
A world full of happiness

The environment

All you have ever dreamt of comes together in Costa del Sol. Beautiful landscapes, a number of gorgeous beaches, surrounded by the best golf courses and the most appetising variety of cuisines, ranging from Michelin Star restaurants to traditional 'espetos' by the seashore.

Costa del Sol can even brag about something you cannot imagine: 325 days of sunshine per year. This natural treasure is more than just enviable weather, is a great source for your happiness and wellbeing.

In fact, the unique location of the Costa del Sol means waking up to a richer life, moved by the magic of flamenco and a wide range of cultural experiences to enjoy, spotlighting the Picasso museum.

Mijas Golf Club

During the last decades, Mijas Golf has become one of the most popular golf complexes in Europe, known by the outstanding condition of their courses and the friendly atmosphere and excellent service provided to the clients.

The courses, Los Lagos and Los Olivos, are situated in the valley of Mijas, less than 30 minutes from the Málaga International Airport and from Marbella, and only at 3,5 km from the sea.

VILLA CÓRDOBA 6

Located in 'Mijas Golf', a charming and peaceful residential area, VILLA CÓRDOBA 6 is very close to downtown Mijas, a typical Andalusian village full of cultural heritage.

The architectural project distributes open and well-connected areas, including four spacious bedrooms, three bathrooms and a toilet, inspired by a modern and stylish design.

A sumptuous pool outdoors makes this villa an object of desire for all those who love the sun, nature, the environment, and the Mediterranean lifestyle.
